Parka

The foundations of **Parka** date back to Daniel's diploma in the Information Design program at the University of Applied Sciences, Graz. In close contact with legendary H. Berthold designer Günter Gerhard Lange, it was developed into an extensive typeface family after graduation. Parka consists of six weights from Light to Black and contains small caps and true italics, as well as oldstyle, lining, and tabular numerals, as well as accents for most Western languages.

Parka's plain humanist sans serif design captivates at second glance with lovely details and idiosyncrasies. The characteristic feature of Parka is the alternating sweep in the curves of the lowercase letters, such as "d", "b", "p" and "q", as well as the relatively angular shape of the "a". In headline applications, its strict, strong formal language lends it expressiveness and character. In small weights, however, it takes a back seat to the balanced overall performance and presents itself as a serious, narrow serif. It is precisely this versatility that recommends it for both everyday and unusual applications, for magazines as well as for extensive corporate design tasks.

El ministro de Interior anuncia más cooperación con Rabat durante su visita junto a la comisaria europea de Asuntos de Interior, y elude cualquier crítica por la tragedia de la valla

RABAT — 08 JUL 2022, 17:41 — ACTUALIZADO: 08 JUL 2022, 18:33 CEST

El ministro del Interior, Fernando Grande-Marlaska, ha elogiado este viernes en Rabat el papel de Marruecos como socio "fiable" de España y de la Unión Europea, después de entrevistarse con su homólogo marroquí, Abdelouafi Laftit. Marlaska, que viajó acompañado de la comisaria europea de Interior, Ylva Johansson, declaró:

importante hacia la emigración irregular y que debe ser reconocido". Esta ha sido la primera reunión que mantienen las autoridades europeas, españolas y marroquíes de Interior tras la muerte hace dos semanas de al menos 23 emigrantes en circunstancias nada claras. Marlaska lamentó la muerte de los emigrantes, pero evitó expresar
